Watch the exciting 3.5-hour AVL tree video!

Watch it here: [AVL Trees Easiest Explanation | Insertion, Deletion, Minimal AVL Tree Data Structure | All in One](#)

If you enjoyed the explanation, we would love to hear your thoughts in the comments section on YouTube.

We took a unique approach by using everyday terms like "elbow," "stick," and "mountain" instead of technical jargon like LL and LR rotations.

We believe this makes the topic clear and accessible to everyone.

Once you watch video, Please attempt all the questions in the practice set.

You can find practice set in the pinned comment at youtube video.
